Thank you very much for your time. It won't take very long at all, so we could just visit off to the side at City Hall or even as you're walking to your ride. I will be there for the presentation, and can come find you once it's over.

Sam,

I'm the special counsel for Commissioner Baker at TCEQ. We met briefly at a recent meeting regarding regional haze. I understand you are presenting at Austin City Hall this afternoon, and I'm wondering if you might have 5-10 minutes after the presentation to chat very briefly about an environmental conference we are planning for the fall. We would love to have EPA involved, and I wanted to give you some brief details in person while you're here.

If you have a few minutes to spare, I will come find you after the presentation. Thanks.
